Letter From Reader of Chief For 84 Years

Following is a self-explanatory letter received from former Comanche County Sheriff J. E. Miller and former City Treasurer, who now resides in North Hollywood, California:

11014 Otsego
North Hollywood, Calif

Dear Editor:

I am sending you a check for $3 to pay for The Chief one more year. I enjoy reading the home-town and county news in The Chief each week. My father first took The Chief in August, 1873, just about a month after it was founded. I have read The Chief ever since and I will be 92 years old in December. I was born in 1866.

Respectfully yours,
J. E. Miller, Ex-Comanche County Sheriff and City Treasurer.

Attending National Convention

Mrs. R. L. Eaton and Mrs. Clarence Rea of Comanche left August 9 by train for Minneapolis, Minn., to attend the national convention of Delta Kappa Gamma, national teachers sorority. They will be gone about 10 days.

There will be a get acquainted meeting called for 7:00 p.m. Monday night, August 18 at the REA building for all directors of the United Fund, according to an announcement from Louis Harelik, United Fund president.

New directors named at a recent board meeting include: Virgil Norris, Dick Armstrong, Beth Hallmark, Tom Beene, Dwight Brightman, and Dr. Wm. Calhoun who were elected to a two year term on the board.

New directors elected to a three year term are, Roy Brannan, Jr., Ira Clemons, Elton McCullough, W. C. House, Jimmy Carpenter, and Charlotte McKinzie.

Louis Harelik, Joe Waring, Bill Wilkerson, Boyd Anthony, Elzo Brinson and Dr. James Slider are the carry over directors, who have already served two years on the board.

"Lets all try to attend this first meeting" says Louis Harelik, who adds that the meeting won't be long, but is important.

NEVADA SOAP BOX CHAMPION—Rick Williams, 14-year-old son of former Comancheans, Mr. and Mrs. Walter Williams and a grandson of T. J. Williams and Emmett Long, both of Comanche. Rick won the "B" Division, and then crossed the finish line on Bonanza Hill, Las Vegas, before an estimated 1,500 persons Saturday night ahead of Dick B. Bourne, in the "A" Division. Looking over Rick and his "Slipstream" racer from Pahrump Ranch near Las Vegas are his parents, Mr. and Mrs. Walter Williams and his brother, 11-year-old Mark. Interest was high in the event—and 26 heats were run before the winner was named. Williams qualified for the National Soap Box Derby finals later this summer at Akron, Ohio.

Livestock Meeting At Lake Eanes Friday Night

The annual Comanche County Livestock Association meeting and barbecue will be held at Lake Eanes Park, Comanche, Friday night, August 15.

The business session will begin at 7:00 o'clock. Six new directors are to be elected.

Barbecue beef, with all the trimmings, will be served.

An interesting program as been planned which will include a Department of Public Safety demonstration. A patrolman from Waco will be here to give a demonstration of brakes, and other devises on the test car.

The program committee is composed of Angus Dickson, Herb Goodson, and D. F. Caraway.

Officers of the Comanche County Livestock Association are Ernest McDougal, president; Eltos Dudley, vice president; Karl Barry, 2nd vice-president; and Herb Goodson, secretary-treasurer.

Directors are: D. F. Caraway, Tom Mazurek Jr., Troy Pettit, Roy Davis, Marvin Lee, Eric Seay, R. H. Campbell, Walter Chapman, H. J. Huddleston, Dudley Aldridge, Dwight Brightman, and Keith Lane.

'Eyes to the Future' Contest Will Be Presented By The Chief

"Eyes to the Future," a contest calling for identification of business, professional and industrial leaders of the community from a pen and ink and photographed likeness, will be presented soon in the Comanchhe Chief.

This unique feature is now being prepared by Jack Henseler (shown above) of Oklahoma City, caricaturist and copyright holder of the idea.

Purpose of the feature which has been featured in over 150 papers in Texas and Oklahoma, will be its cash awads to readers of The Chief and to familiarize the readers with the business, professional and civic leaders of Comanche who have "Eyes to the Future" for the further development and advancement of Comanche and its trade territory.

Briefly the feature will present actual photographs of 79 heads of local men and women attached to caricature bodies that will be drawn by artist Henseler. The contest and fun will come in identifying these persons and connecting them with their business and its location.

The first run of the contest pictures wil be ready next week, at which time rules of the contst and those eligible will be announced.

Grid Physicals Here August 23

Football physical examinations for the Comanche High School gridders will be given on Saturday, August 23.

Coach Bill Scoggins says he is expecting a squad of from 55 to 60 to report. Sixteen lettermen are included in the group.

The physical examinations will be given by Dr. W. B. Blackwood and Dr. Roy D. Mims. All candidates for the A and B squads are asked to report at 2:00 o'clock Saturday afternoon, August 23, at the High School Gymnasium.

On Carribean Cruise

Mr. and Mrs. Floyd Prather of Comanche left last week-end on a three weeks cruise of the Carribean. They were accompanied by Dr. and Mrs. Kenneth Thurmond, Fort Worth, and sailed from New Orleans. Havana, Trinidad and other points of interest will be visited during the trip.

Dairymen To Meet Monday Nite

The Comanche County Dairy Association will hold its regular monthly meeting, Tuesday, Aug. 19 at the Comanche Couty Courthouse.

Richard C. Armstrong, secretary reminds all members and interested parties to remember this date as no cards will be sent out.

Tommy Willis First In Saddle Horse Class at Dublin; Vicki Pipes Third

Tommy Willis, 11 year old son of Mr. and Mrs. George Willis and a Comanche sixth grader won top honors in the Childrens saddle horse class, 8 to 12 years, at the Dublin Rodeo last week.

Vicki Pipes, 9 year old daughter of Mr. and Mrs. Ikey Pipes, placed third in the event among the fifteen contestants entered.

Judging was done on riding ability and general horsemanship.

Tommy received a beautiful championship trophy for his winning efforts. Vicki, who is a Comanche fourth grader, and who is quite a trick rider too, received the third place trophy.

This event, the first time it had ever been presented at the Dublin Rodeo proved to be a popular one with fans. Tommy and Vicki were the only entrants from Comanche's outstanding group of young riders.

Gustine Methodists To Hold Revival

The annual Metnodist revival at Gustine will begin Friday, Aug. 15 and continue through Aug. 24, according to announcement by Rev. Victor E. Hankingson, pastor of the Gustine Methodist Church.

The evangelist will be Rev. Otis Brown, pastor of the Bethel Methodist Cnurch, Waxahachie.

Grady Harkins, Comanche, will have charge of the singing.

"Everyone is invited to attend and take part in this revival," says Rev. Hankingson.

W. W. Cox, 82, Dies Suddenly

W. W. (Will) Cox, 82, pioneer Comanche Countian, died suddenly at his home, 306 N. Austin, about 5:30 o'clock Thursday morning, August 14.

Mr. Cox had been in ill health for several months, but his death came unexpectedly. His wife was preparing his breakfast at the time he passed away.

Funeral services for Mr. Cox will be held at the Comanche Funeral Home Chapel Friday afternoon, Aug. 15, at 4 o'clock, with his pastor, Rev. Plez Todd, First Methodist Church pastor, officiating, assisted by Rev. J. D. Smoot.

Interment is to be in Oakwood Cemetery.

Mr. Cox was a former wholesale oil and gasoline agent here, and was in the wool and mohair business here, at Brady, and at San Angelo for many years.

He is survived by his wife: a daughter, Mrs. Gayle Fikes of Stinnett; two grandchildren and two great-grandchildren.

Undergoes Surgery

Tom Brightman, son of Mr. and Mrs. Oswell Brightman, and a Comanche High School freshman, undeswent major surgery Tuesday at Harris Hospital, Fort Worth. He is reported to be making satisfactory recovery and is due to be able to come home early next week.

Grandson of Comancheans —

Rick Williams Captures Nevada Soap Box Crown

Rick Williams, 14-year-old son of Mr. and Mrs. Walter Williams, who moved the first of the year from Pecos to Las Vegas, Nevada, sped to victory in the first annual Las Vegas Soap Box Derby, on East Bonanza Hill, Saturday, July 26.

Some 1,500 fans watched the field of 34 contestants.

Rick, grandson of T. J. Williams and Emmett Long, Comanche, and whose parents, Walter and the former Nan Long were reared in Comanche, whizzed down the 600-yard course ahead of Richard Bourne, 12-year-old "A" division winner, for the overall championship, and a trip to Akron, Ohio, where he will compete for the National Soap Box Debry title.

Posting the fastest time of the day, a 49.58 second trip, the former Texan passed the finish line five yards ahead of his younger rival.

Williams' racer, a wood lathe model he had worked on for about three montns, was sponsored by the Pahrump Ranch in the Pahrump Valley. His dad is a part owner of the ranch.

"He's been working on the car almost since we arrived in Las Vegas last February," said Mrs. Williams after the race. The Williams family resides in Las Vegas at 920 Bonita Street. Mr. Williams is one of Nevada's biggest cotton growers, and had one of the largest irrigated farms in the Pecos area before moving to Navada.

Mrs. Williams and Rick left Wednesday, August 13, for Akron by chartered plane—which had "Rick" printed on it. Walter and Mark will leave later this week, also by plane, to witness the National Championship Soap Box races.

A banquet was given in Rick's honor at the "Silver Slipper" on the "Strip" in Las Vegas, along with the E. N. Cole Award. He was presented with a gold cup for the best craftsmanship and construction of the car. The car was placed on display at the Community Chevrolet in Las Vegas—sponsor of the event along with the Police Athletic League.

Mrs. Williams was presented with a special "Citizens" award at the banquet.

"We're all mighty proud of Rick," write the Williams to The Chief, adding that they are all looking forward to the races at Akron.

True child of the supersonic age that he is, the speedster wants to be an electronics engineer. His favorite baseball tea mis the New York Yankees although Rick confesses his first love in sports is football.

4-H Rally Da y

by Suann Henson

4-H Club Rally Day for boys and girls will be held Saturday, August 23, from 9 a.m. to 4 p.m. at Lake Eanes Park, Comanche.

All 4-H'ers are invited to attend. Bring a sack lunch, drink, and 25c for crafts.

There will be swimming in the afternoon. You must bring permit signed by your parents.

Revival Meeting Opens Friday At Gartmans View

A revival meeting at the Gartmans View Free Will Baptist Church will open Friday, Aug. 15 and continue through Sunday, Aug. 24 services.

Evangelist will be Rev. Arthur Hearron of Oklahoma City. Song services will be led by Ted Patton.

Rev. J. A. Brooks of Granbury is the new pastor of the Gartmans View Church, and extends a cordial welcome to one and all, to come and "hear one of the greatest of all Free Will Baptist preachers" in this revival meeting.

Evening services will be held at 8:00, and morning services at 10:00. Special prayer services will begin at 7:30 p.m.

Little League Tourney Finals Friday Night

The Toppers, regular season Little League championship winners, were ousted abruptly in the sudden death Little League tournament, as the last place Raiders won convincingly 13-1.

The Raiders rallied for a big 12 runs in the first inning before Charles Wright came to the mound and put out the fire. Three key members of the regular season's championship team were out of town and their services were sorely missed.

Dudley Bros. and the Saints sharred second place honors in the regular season, with identical 6-4 records and clashed in the opening round of tournament play Tuesday night.

The Saints, behind the steady hurling of Connie Elliott, downed Dudley's 6-1.

Blanket and Gustine drew first-round byes in tournament action—and will play the opener Thursday night—with the Raiders and the Saints clashing in the nightcap.

The championship game will match the two winners on Friday night—in the final game of another successful Little League season here.

Good Crowd Expected For Old Settlers Annual Reunion

The Old Settlers of Comanche County will have the right-of-way today Friday August 15,when they gather at 10 a.m. for their annual Old Settlers Reunion at Lake Eanes Park.

While the Old Settlers will have charge of the program, everyone, young and old are invited to attend, say Joe Jones ,the 87-year old president, who is as enthusiastic as a boy about the whole affair.

Joe Byrd, the secretary, who is looking after the physical comforts of the old people, says there will be plenty to eat and drink, thanks to the Comanche business people for their liberal donation. There will be free bread, meat coffee and lemonade and pickles to go along with basket lunch brought in by many, but nobody is going away hungry, says Mr. Byrd.

There will be no political talks or other long dry speeches says Mr. Jones. Everything wlill be short and snappy with everybody given a chance to take part.

There will be plenty of singing and music. Even some Scottish bagpipe music is promised by a visitor, if he arrives all dressed up in his Scottish garb.

The formal program, which will be spiced with many extras appears indetail elsewhere in this issue.

Dr. Morgan to Preach Here

Dr. Thurman Morgan, Brite College of tne Bible, TCU, will be guest minister at the 10:45 a.m. services at the local Central Christian Church.

1958 will break all records for government spending for defense in peace time. President Teddy Roosevelt laid down the American pattern for self-defense over 50 years ago—"Speak softly and carry a big stick."

Before the days of the United Nations or even before the League of Nations, Theodore Roosevelt made a suggestion for the prevention of war: "Get all the nations to agree when and if the next war comes, that it must be fought strictly on a cash basis. No cash, no fight."

A good speaker is a person wro says the things you believe in, the way you would say them if you were a good speaker.

—o—

If you spend a dollar in Comanche County, you have a good chance of getting it back again; but if you spend it in the big city or send it off to a mail order house, the chances are that you never will see it again.

—o—

The average husband is proof enough that a woman can take a joke.

—o—

Did you ever notice how many ugly men have pretty daughters? We are not going to call any names, but just think over the list of good looking girls you know, and then recall how their dads look.

—o—

Nothing makes a mother as broadminded in religious matters as to have a daughter catch a rich beau who belongs to another church.

—o—

Every man may expect defeat once in a while, but it is the ability to lose gracefully and rebound after each defeat that counts most.

—o—

A man or woman is fortunate if they are engaged in business or a profession which they enjoy. It is said that 43 percent of adult men are engaged in a business that they do not enjoy, or at least are not satisfied with. One purpose of our schools and colleges is to help our boys and girls find occupations which they enjoy and for which they are best suited.

* *

Before a teacher can render this service to others, of course he or she, should be in love with teaching. A person who teaches just for the money is not worthy of his hire.

—o—

One reason some people do not succeed any better, is that they sometimes take life too seriously. A proper sense of humor, often enables a person to meet a trying situation.

* *

Ex-President Calvin Coolidge once said, "Men of humor are always in some degree men of genius; wits are rarely so, although a man of humor, may among other gifts, possess wit, as Shakespeare did."

—o—

Every person owes something to the community in which he lives. He should do some work for which he expects no pay. If he succeeds in one of three of these undertakings, he should be satisfied. It was Franklin D. Roosevelt who said, "I have no expectation of making a hit every time I come to the bat."

—o—

Houston, Texas, has as its goal to be the 6th city in population in 1960 when the U. S. census is taken. Houston ranked 14th when the last census was taken in 1950, having jumped seven places since the 1940 census which showed Houston as the 21st city in the nation.

* *

Houston's goal is to have one million population within its city limits by 1960. Metropolitan Houston already has reached the million mark, but the U.S. census counts city population as only the people living within the city limits.

* *

Baltimore and Cleveland are also trying to reach the million mark by 1960.

* *

Comanche should have a population of 4,500 by 1960, especially if our city limits are extended to include all the suburbs.

—o—

Mental illness is on the increase in the United States and Texas on a percentage basis, says the Medical Research Foundation of Galveston. That is there are more mentally ill people per thousand than ever before.

* *

The breakdown of the family life is the main cause of the increase, says the report.

* *

Too many people are wrapped up in the frenzy of their own living.

The family life which has been the refuge of the American people since the colonial times, has broken down.

* *

Too many families now live in a thrill-seeking whirl, regardless of their economic strain.

* *

The relaxation of home life has been replaced by a restless searching for excitement outside the home. As the restlessness increases, more tranquilizers are needed to control it.

* *

Millions of Americans today gorge on tranquilizer pills because they have little peace and joy in their home life. The dissatisfaction of the parents is transmitted to the children, and all have to get in the car and leave home to satisfy their need of contentment.

* *

In some cases where parents are satisfied with home life, they fail to make home life attractive to their children, who seek their recreation on the outside.

* *

As this happens, discipline and direction at home are discarded from everyday living, says the Houston Chronicle.

* *

For minor reasons couples rush ihto the divorce courts, breaking up a home, and in most cases creating emotional instability in their children and setting the stage for mental upsets.

* *

All of us, whether young or old, need discipline and direction in our lives. The truly religious person, who almost always is also a church member, finds both discipline and direction in his religion.

* *

If we in Texas and in Comanche County can restore family life to the exalted position it held until a few generations ago, and make moral living the guiding principle of the family life, there will not be so many mentally ill people.

* *

Generally speaking the family life in Comanche County, has not broken down, but we are slipping some. Very few people have family prayer in their home except at meal time, and some even not then.

* *

Comanche County is still a church country with close to 100 organized churches in the county and with a Sunday School attendance of around 3,000.

It makes no difference how high a degree a teacher has, he or she, soon will fall behind in his profession, if he never attends clinics and short courses put on by experts in his line of work.

Mr. and Mrs. Boss Stephens and children of Proctor, who have operated the telephone exchange there for several years, left last week for California where he has a position. They were accompanied by Mr. and Mrs. R. E. Anders and baby.

Funeral services were held December 13 for Jack Miller, who died at the home of his parents, Mr. and Mrs. J. E. Miller in the Round Mountain community. Interment was in Oakwood Cemetery.

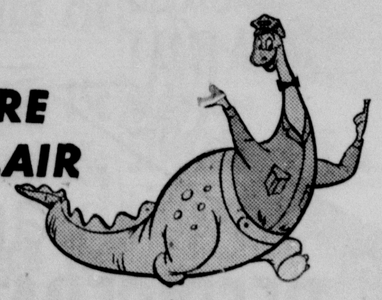

Mrs. J. H. Hill, for fifty years a citizen of Comanche, and one of her most beloved women, died at the home of her daughter, Mrs. N. N. Durham on Wright Avenue December 10, 1937. Funeral services were held at the Baptist Church with Rev. J. D. Smoot, a long time friend of the family officiating. Her pastor, Rev. A. Edwin Wilson was ill and was unable to assist with the services.

Mrs. Hill, who was Mary Charlotte Kemp before her marriage, was a member of the First Baptist Church, being the 16th member to unite with the original church here. She was a lady of refinement and culture and was deeply interested in her family and the civic welfare of her community.

Boyd Anthony, son of Mr. and Mrs. E. E. Anthony of Comanche, received a promotion last week when he was advanced from a position with the Cameron Lumber Company at Kermit to the manager of that firm's lumber yard at Monahans. Mr. Anthony, who was a star member of the Comanche High School football team which won the regional championship in 1931, began his work with the Cameron Lumber Company under his uncle, George Hamilton at Fort Worth.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #36—Number Eight on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 36 proposing an amendment to Section 51a of Article III of the Constitution of the State of Texas by adding a new Subsection to be known as 51a-1; giving the Legislature the power to provide, under such limitations and restrictions as may be deemed by the Legislature expedient, for assistance on behalf of persons eligible for Old Age Assistance, Aid to the Blind, and Aid to Dependent Children as provided in Section 51a of Article III and for persons eligible for Aid to the Permanently and Totally Disabled as provided in Article III, Section 51-b of the Constitution of the State of Texas; providing for direct or vendor payments for medical care on behalf of such recipients; providing for the acceptance of financial aid from the Government of the United States for such payments; providing that the payments for such medical care shall be in addition to the direct assistance to such recipients; providing that the amounts paid out of State funds shall never exceed the payments out of Federal funds for such purposes; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended by adding thereto a new Subsection to be known as Subsection 51a-1, which shall read as follows:

"Subsection 51a-1. The Legislature shall have the power to provide by General Laws and to make payment for same, under such limitations and restrictions as may be deemed by the Legislature expedient, for direct or vendor payments for medical care on behalf of needy recipients of Old Age Assistance, Aid to the Blind, or Aid to Dependent Children as provided for in Section 51a of Article III and on behalf of needy recipients of Aid to the Permanently and Totally Disabled as provided for in Section 51-b of Article III of the Constitution of the State of Texas. The payments for such medical care on behalf of such recipients shall be in addition to the direct assistance to such recipients, and shall be in such amounts as provided by the Legislature; provided, however, that the amounts paid out of State funds for such purposes shall never exceed the amounts paid out of Federal funds for such purposes.

"The Legislature shall have the authority to accept from the Federal Government of the United States, such financial aid on behalf of the needy aged, needy blind, needy children, and needy permanently and totally disabled persons as such Government may offer not inconsistent with restrictions herein set forth."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the amendment to the Constitution giving the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance; and providing that the expenditure out of State Funds for such purposes shall never exceed the amounts so expended out of Federal funds";

and

"AGAINST the amendment to the Constitution giving the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance; and providing that the expenditure out of State funds for such purposes shall never exceed the amounts so expended out of Federal funds."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the Laws of the State of Texas.

Letter To The Editor

Mr. J. C. Wilkerson,
Comanche, Texas
Dear Mr. Wilkerson:

I am writing you for two purposes: to subscribe for The Chief (I'll mail you a check as soon as I know the subscription price), and to ask you to give me some assistance I need by printing the enclosed letter in The Chief.

As the letter explains itself, I shan't repeat its contents. I shall only say that I think it is time that an article be written about the John Wesley Hardin period in Comanche in which the citizens of the town are not pictured as "howling, blood-thirsty mobsters", as they have been pictured in all of the books and articles about Hardin that I have read.

It may interest you to know that I have a scrapbook in which I have pasted many articles from The Chief. I speak of it as "my Comanche scrapbook". Knowing my interest in such articles, Clara has been kind enough to send me those that have appeared in The Chief. I have some six or eight of the late Robert Hill's articles about "Old Comanche", some of which were printed in The Dallas News, some in The Comanche Chief.

As a matter of keeping history straight, I shall correct an error in the article about Proctor that is in the souvenir program of The Comanche County Centennial:

My father settled in the original settlement of Proctor earlier, not later, than Alec Proctor. He built a country store, (the back part of which was used as a dwelling) and a story-and-half house and moved my mother, my oldest sister, Ida, and my brother Bob there before Mr. Proctor—his partner for a time in the store—moved from Galveston.

I don't know in what year Mr. Proctor moved to the settlement, but my father moved there in October, 1873.

At first the place was known as "Moore's Store"; later, it was named "Mooresville". The name was changed to "Proctor" in order to get a post office. One was not to be had in the name of Mooresville, my father learned when he wrote to the Postal Department in Washington, as already there was a post office by that name in Texas.

My father was postmaster of Proctor for about eight years, or until he moved, with his family, to Comanche. I have the paper appointing him to the office.

The Proctor family lived in Proctor only a short time. I have heard my mother says that they moved from there because Mrs. Proctor didn't like the hardships of pioneer life.

I shall appreciate any assistance you give me in my search of facts and incidents connected with the Hardin family and the John Wesley Hardin days in Comanche.

With good wishes for you and your family,

Cordially yours,
Mollie Moore Godbold.

TEXAS ..... A 100 Years Ago

The following news covering Texas, 100 years ago, August 1858, taken mostly from the Lavaca Herald and the Washington (Washington On-The Brazos) Ranger, was compiled by the Department of Journalism & Graphic Arts of The University of Houston and dispatched last week to The Comanche Chief, and perhaps to many other papers of Texas, is very timely for the Old Settlers on the occasion of their annual reunion at Lake Eanes Park, Comanche, Friday, August 15.

* *

August 3-9, 1858

The Lavaca Herald gives the following "fact worth notice." Lavaca is 15 miles nearer the interior than Indianola, and freights are delivered at Lavaca from the N. O. steamers at the same rates as at Indianola, thus saving to the wagoner a distance of 15 miles each way.

The same paper says that crops are unusually abundant, and the cotton of superior quality; also that the pecan crop will be heavy.

The editor of the Victoria Advocate learns from Mr. J. Ashworth, of Indianola, that the R. R. company at that place has been organized, and composed of the best business men of the place, who are determined to push forward the work with all possible speed. The money required has been raised, and the grading commenced.—The iron for the road has been shipped and is expected to arrive at Powderhorn soon.

We have it from very good authority that Gov. Runnels has appointed Col. Matt Ward, of Cass, as United States Senator, to fill the vacancy occasioned by the death of the lamented Henderson. If so, we consider it a very good selection, although we could have, perhaps, wished it different.—(Tyler Rep'tr.)

We don't know. Things are secretly done now-a-days.

There are plenty of young gentlemen as well as plenty of old ones, whose beards are turning gray, which gives the former a great deal of uneasiness, and exposes the age of the latter. To avoid those little perplexities we advise each of our readers to use Prof. Wood's Hair Restorative, which will, in the course of a few weeks, change the hair to its natural color.

* *

August 10-16, 1858

We again caution the old line Democracy against that restless, constantly working something, who sometimes are called "Young South," sometimes "fire eaters" and sometimes open disunionists, but who are forever seeking to establish a new party under the name of intense "Southernism." They are forever seeking new issues.

The soldiers were paid off at Lampasas Springs on Monday last. Capt. Ford made an affecting speech to his gallant company. They were also addressed by D. C. Hunter, Esq., and John Wooldridge, Esq. — The citizens gave the company a barbecue, and, in every way, show the esteem in which the brave soldiers are held.

The total amount of the pay of each private was $170.

The Gonzales Inquirer says that a runaway negro of Gen. T. N. Waul was found dead in the river the other day with 15 buckshot in his body and an arm broken. No clue has been found to the perpetrator of the killing.

The Lavaca Herald contradicts the report that yellow fever has become epidemic on the bay at Galveston, and says:

"Commercial intercourse and the trade between Lavaca and the country will not in the least be impeded by the prevalence of fever here."

Two more light draft steamers will soon be put upon the line, to run in connection with the Robert Waterman, from New Orleans to Port Lavaca.

Austin 17-23, 1858

AUSTIN—It may be important for some people to know that the following law was passed by the last Legislature.

If any person shall unlawfully remove, sell, or in any other manner dispose of any animal which has been taken up by him as an estray, he shall be punished by fine not exceeding double the value of the property so unlawfully disposed of.

Bevities

There are 250 hands employed in building at San Antonio.

The Eastern Texian boasts of a 30 lb. muskmelon. It is a mere circumstance.

The corn crops in Eastern Texas are very abundant. The preponderance of immigration will be to Northern Texas this year.

The San Antonio Ledger will commence the publication of a Daily, this week. Success to it.

We would inform the Waco Democrat that we never said Gov. Runnels had appointed Matt Ward U. S. Senttor. We copied from other papers, and know nothing of the truth.

AUSTIN—The dinner at this place given to General Houston on the 12th was a splendid demonstration. The barbecue was one of the best we have ever seen—the meats abundant and well prepared, and the tables groaned under the cakes of all descriptions—honor to the ladies!

General Houston's speech occupied two hours, and was regarded as one of his best efforts. It was, in the main, a vindication of his past public career, with reflections upon the present aspect of public affairs. It was delivered with good feeling, and was generally well received.

August 24-30, 1858

Our town was thrown into the highest excitement on the morning of the 4th inst., in consequence of a shooting affair which took place in the street near the public square. Winston Banks was shot as he was walking in the street from the Court House to his residence, the ball taking effect near the spine, above the hip passing out on the right side. The wound, it is supposed, will not produce death.

The great Houston demonstration, given by the admirers of "Sam", came off at this place on Thursday last. A procession was formed, consisting of about 80 men and boys, and 10 buggies and carriages, Gen. Houston bringing up the rear. Arriving at the stand, a reception and laudatory address was delivered by James Willie, Esq., when the General lumbered forth his same old stereotyped speech, praising himself and denouncing others.

(The Washington Ranger)

Col. A. M. Lewis, agent of the Railroad, now being graded from Brenham to Washington, is in town, and he puts us in possession of the following facts:

The grading of the eight and one-half miles from Hempstead across the Brazos River, to the edge of the bottom will cost $13,233.00. This includes trussel work across the river. The total cost of this eight and onehalf miles is estimated at $155,842. The estimated cost of the bridge is $62,000. The total distance from Brenham to Hempstead is 19 7/8 of a mile, and the total cost will be nearly $400,000—at least this is our estimate, judging by the first eight miles, and the usual cost. Twenty thousand dollars per mile, in Texas, is about a safe estimate.

The people of Washington County find the work too heavy for their means, within any reasonable time. They have therefore determined to make an appeal to the citizens of Travis and the intervening country to assist the enterprise by taking a portion of the stock.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #6—Number Two on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 6 proposing an amendment to Subsection (b) of Section 62 of Article XVI of the Constitution of Texas, authorizing each county to provide for retirement, disability and death benefits for appointive officers and employees of the county or precinct, or for appointive and elective officers and for employees of the county or precinct; providing for the submission of the proposed amendment to the voters qualified to vote thereon, and providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (b) of Section 62 of Article XVI of the Constitution of Texas be amended so as to read hereafter as follows:

"(b) Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county or precinct, or for the appointive and elective officers and for the employees of the county or precinct, provided same is authorized by a majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall at least equal the amount paid for the same purpose from the income of each such person and shall not exceed at any time seven and one-half per centum (7½%) of the compensation paid to each such person by the county.

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States government, the payment of the principal of and interest on which is guaranteed by the United States; provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount due to persons who cease to be entitled to benefits from said Fund, such amount of funds to be kept on hand to be determined by the agency which may be prescribed by law or administrative rules and regulations from said Fund; provided that the participation of persons from said Fund shall not be eligible for any other pension, retirement funds or plans of the State of Texas, and upon the creation of which said Fund, the creation of which is provided for herein, each participant of the county, is released to the State of Texas as a condition to receiving such other pension aid."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be November, 1958, at which election each ballot shall have printed thereon the following words:

"FOR the amendment of subsection (b) of Section 62 of Article XVI of the Constitution, to authorize each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct."

"AGAINST the amendment of subsection (b) of Section 62 of Article XVI of the Constitution, to authorize each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct."

"Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter may vote on such machine for or against the Constitutional Amendment."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have notice of said proposed amendment and of said election published as required by the Constitution of Texas and laws of this state.

Students in Reading Lab

Am I adequately prepared in English, reading and mathematics?

Am I willing to pay the price in hard work for a college education;

Am I sure of the course of study I expect to pursue in college?

These and many other questions are answered at the A. and M. Adjunct, a unique summer program offered by Texas A. and M. College to a limited number of freshmen who desire to commence their college training during the summer immediately preceding the fall semester for which they would normally enroll.

A. and M. Adjunct is located just outside the town of Junction over 200 miles west of the college campus.

The program helps students help themselves through counsel, guidance and study. They receive college and vocational orientation and can earn up to seven hours of college credit.

In addition to long hours of study and tests, the students take part in a well-rounded program of physical conditioning and recreation.

Attend Rites Of Sister At Eden

Mrs. William F. Bryant of Sidney and Jack Bryant of Abilene attended last rites for Mrs. Maggie Wood Mullins at Eden Sunday. Mrs. Mullins was a sister to Mrs. Bryant and was a Comanchean by birth having been born near Duster in 1885.

Most of her life was spent on a ranch near Eden, where her husband W. F. ullins died in 1951.

Mrs. Mullins left behind a very commendable record of a full rich happy worthwhile life. She became a Christian at an early age and of the 64 members of her immediate family which is made up of four sons, and four daughters, thirty-two grandchildren and sixteen great-grandchildren, 48 are now members of the Church of Christ and seven grandsons are ministers, four serving in Texas and one in Oregon, Arizona and Nebraska.

Homecoming At Soda Springs Saturday, Aug. 30

By Monselle O'Brien

It's mighty hot about this time of ear and I got to thinking I'd take a wash tub along to bring back some of that stew, in case there's some left. But Bob Gresset, president of the Soda Springs Club, says it will be so good there won't be any left.

He says they have a big fan to keep folks cool and plenty of shade out under the trees where they'll serve dinner, and that those who may not have air conditioned cars will hop an air conditioned freight. Bob says in fact, he expects just about everybody will be there, Saturday August 30 to see you at Soda.

District Conference At Taylor Chapel

District Conference of the Congregational Methodist of the Dublin District was scheduled to begin Thursday and continue through Friday, August 15, at the Taylor Chapel Methodist Church, 10 miles northwest of Comanche.

Conservationists Tour Three County Area Wednesday

Approximately 125 farmers, ranchers, and business men went on a tour of parts of three counties, Comanche, Erath and Eastland, Wednesday, August 13, as guests of officers of the Upper Leon Soil Conservation District. What they saw on the tour was eye-opening as to progress that has been made along lines of conservation.

Special attention was given to observation of terracing, irrigation, grasses and crop and pasture rotation.

After tours in their own counties, farmers from Erath and Eastland counties joined the Comanche County tour at Proctor and made 15 stops in the Leon River bottom areas in the Proctor-Gustine sector. County Agent Angus Dickson Jr., Comanche, acted as master of ceremonies. Bill Parks, manager of the Comanche County Electric Cooperative Association, furnished the sound truck and programs.

District supervisors, including Walter Fritts, Comanche County, acted as hosts for the tour and saw that everybody was taken care of.

The noon meal was served in the beautiful valley pasture on the Leon Valley farm of Wayne Adams, Gustine. Hill's Catering Service, Stephenville, served a delicious barbecue dinning with all the trimmings. The dinner was paid for by the District out of a $300 prize won in the State contest when the Upper Leon District was voted the best in the State in 1957. An interesting program followed the dinner.

Everything was looking fine on the tour with the exception that a rain is badly needed. Most crops are still holding up, but damage, especially to peanuts, will be heavy unless rain comes soon.

The programs outlining the 13 stops made on the Proctor-Gustine tour and giving in order the following information about each stop: name of the farm owner, project to be observed, soil nature, classifacation as to grade of land, and condition of the projects.

The information about the project observed at each of the stops was outlined on the program as follows:

1. Stop (Water Available) Bob Branum—Coastal Bermuda, set Marcr 1955. Soil Units 11 and L11, Class III Land.

2. Stop (Passing) T. J. Kelley—Rangeland, Deep Upland and Hills and Ridges. Sites Bluestem mixture planted on Deep Upland 1949. Indiangrass planted in rows, this spring, Soil Units 2 and 7, Class II Land.

3. Stop: T. J. Kelly—K.R. Bluestem, planted 1950, Soil Units 2 and 2x, Class II and III Land. Diversions above cropland. Hill and Ridge Range Site. Fair and Good Condition.

4. (Passing): Billy Evans—Irrigated peanuts and Coastal Bermuda to be irrigated.

5. (Passing): Guy Moore—Irrigated peanuts in 24 inch rows.

6. Stop (Passing): Springer Moore — Peanuts stripped 2x8 with hegari. Soil Units 11 and 12, Class III Land.

7. (Passing): Kennedy Moore—Peanuts stripped 8x2 with sudan.

8. Stop (Water Available): Geo. L. Stephens — Perennial sweet Sorgrass. Planted this spring on Soil Units 6 and 7, Class III Land.

9. (Passing): C. B. Rinehart—Peanuts stripped 8x2 with maize. Soil Units 12 and L12, Class III Land. Improved Bottomland Pasture—Trees cleared, brush and weeds controlled by shredding. Bermudagrass, Wildryes, Paspalums, Vine-mesquite etc.

10. Stop (Passing): N. E. Palmer—Diversion terrace on upper part of the field, and terraces emptying into waterway on the west. Peanuts stripped 8x2. Winter cover crop each year including vetch one year in three. Cross Timber field. Soil Units 6 and 11. Class III Land.

11. Stop (Water Available): W. M. Henson—Waterway seeded to King Ranch bluestem 1957. New terraces are emptying into waterway. Terraces are channel type (farmable). They are variable graded 2000 feet long.

12. Stop: Wayne Adams—Lunch and Discussion program. Bluestem mixture seeded 1950 on sandy site. Irrigated Sudangrass on Bottomland. Shredding, mowing and clearing pecan bottom.

13. Stop (Passing): M. Autry—Coastal Bermuda, sprigged this spring on Soil Unit 4, Bottomland.

14. (Passing): Forrest Jackson and Springer Moore—Peanuts stripped with hegari, 8 and 2, Soil Units 7, 11 and L12, Class III Land.

15. Stop: M. Autry — Button Clover, Soil Units 6 and 7, Class III, IV and VI Land. Mesquite control.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #1—Number One on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 1 proposing an amendment to Section 5 and 24 and authorizing a new Section of Article III of the Constitution of the State of Texas so as to provide for annual Sessions of the Legislature; changing the compensation, per diem and travel expense of the Members of the Legislature; authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol; providing for an election; prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article III of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 5. The Legislature shall meet every year, under the condition and limitation hereinafter set forth, at such time as may be provided by law, and at other times when convened by the Governor.

"During the First Regular Session of each Legislature, which shall convene in January, 1959, and each succeeding two (2) years thereafter, the first thirty (30) days thereof shall be devoted to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty (30) days of the First Regular Session of the Legislature the various committees of each House shall hold hearings to consider all bills and resolutions and other matters as may be submitted by the Governor; provided further that during the following sixty (60) days the Legislature shall act upon such bills and resolutions as may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business by an affirmative vote of four-fifths (4/5) of its membership.

"During the Second Regular Session of each Legislature, which shall convene in January 1960, and each succeeding two years thereafter, the Legislature shall be authorized to consider and act upon the following only:

"a. Make annual appropriations for the general operation of the State government; which appropriations may be passed by a majority vote of each House.

"b. Consider emergency matters submitted by the Governor; bills embodying such matters shall become law only if the same shall be passed by a two-thirds vote of the Members elected to Each House.

"Whenever the term 'Biennial Session' appears in Article 17 of this Constitution, it shall be construed to mean 'First Regular Session.'

"Any bill considered in the Second Regular Session of the Legislature must be introduced in that session."

Sec. 2. That Section 24 of Article III of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 24. Members of the Legislature shall receive from the public Treasury a salary of Seven Thousand, Five Hundred Dollars ($7,500) per annum and expenses of office in amount and manner as determined by law. The Legislature shall not provide for any per diem for a greater number than one hundred and twenty (120) days during the First Regular Session, sixty (60) days during the Second Regular Session, and thirty (30) days during any Called Session."

Sec. 3. That Article III of the Constitution of the State of Texas be amended by adding a new section to be known as Section 24a to read as follows:

"Section 24a. In addition to other compensation provided herein, the Lieutenant Governor of the State of Texas and the Speaker of the House of Representatives shall be entitled to temporary residence in the State Capitol during their term of office in such quarters and under such conditions as the Legislature may provide."

Sec. 4. That the foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for annual Sessions of the Legislature, prescribing the compensation and expenses for members thereof, limiting the per diem for each Session, and authorizing temporary residence of the Lieutenant Governor and Speaker of the House of Representatives in the Capitol."

"AGAINST the Constitutional Amendment providing for annual Sessions of the Legislature, prescribing the compensation and expenses for Members thereof, limiting the per diem for each Session, and authorizing temporary residence of the Lieutenant Governor and Speaker of the House of Representatives in the Capitol."

Sec. 5. That the Governor shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and laws of this State.

On Tour With Coda

by Coda Baggett, Gustine

The Fourth of July this year was really a Grand and Glorious Fourth for the group of Texans on the WFAA Farm Tour. That is the date we left Love Field on the first lap of a 20-day vacation.

If you have ever thought you would be afraid to fly, forget it. You won't be. Or if you have been advised not to look down as the plant takes off, or you might have to use the little paper bag in front of you, I'd say skip that advice too. If you don't look up and down both, you might miss something. At 1:15 that afternoon (Pacific Daylight Saving Time) we were in Los Angeles.

Thirty-eight years ago, an enterprising young couple, name of Knott, whose assets consisted of a Model-T and four small children, rented a little farm way out in the sticks, in the Los Angeles-Long Beach area. Today, the Knott's Berry Farm and Ghost Town covers 60 acres. It is arranged on the order of an early mining town. You can pan for gold, ride a miniature train, or do any of the 101 things carnivalgo-rs do. You can also shop for gifts, souvenirs, berry products, or the latest styles in clothes. The Knotts now employ 900 people. We enjoyed a few hours there and had dinner at their famous Steak House. That night we stayed in Los Angeles at Hotel Statler.

Next morning we left the airport at 9 and arrived in Honolulu at 5 (Time zoning gave extra hours). Landing in Hawaii for the first time gaves a special thrill. The crowds, the leis, the music provide a welcome such as only Hawaii can give. After reaching the islands, every time you get on or off a plane or a ship, you are "decorated" with one or more beautiful leis. The making of leis is big business in Hawaii. Men, women, and children often have stands by the sidewalks and leisurely string their lovely flowers for leis. Curious about the most elaborate ones we had, I asked a woman who was making them how many orchids went into the making of that kind. Without batting an eyelid, she said "300".

If each of us didn't gain 10 or 15 pounds while we were gone, it wasn't lack of food. All our meals except three were provided for in the tour prices; and we could order as many and as varied dishes as desired. The three meals on our own gave opportunity to dine at the unusual places. We could economize or splurge. If you wish to do the latter, "Don, the Beachcomber" is the place (we learned).

On two different evenings, we enjoyed a real Hawaiian-style banquet—a "luau" they call it. I use the word "enjoyed" advisedly. On these occasions, they really put the big pot in the little one. We were intorduced to "poi", a staple food with them. We also had raw fish, fish cooked in ti leaves, roast pig fresh out of the pit, and so on. Poi, in case you haven't tried it, looks and tastes about like pink-tinted wallpaper paste. One of the waitresses assured me they had such meals only on very special occasions for themselves, like birthdays and feast days, and that they enjoyed every dish. I think I can truthfully say that was the only meal while we were gone, that we Texans left the table hungry.

The other luau we were honored with was at the home of the Tax-Assessor of Hawaii. The food was served in abundance, a little more to our taste; and greater hospitality you have never seen. This interesting couple have eleven children. All are musicians, and all dance the hula, from grandmother to the 2-year-old. The party wound up with music and dancing. Of, yes, and three huge platters piled with orchids for the ladies present. By the way, it was quite evident that this wife is the matriarch of that clan. It is easy to see who is the head of that house. Or is this characteristic unusual enough to deserve mention?

Right here, I'd like to say something about the hula dancing. It is not, as some believe, a dance that consists primarily in wriggling certain portions of the anatomy. That sort of dance is of Tahitian origin, and a favorite costume with them is the grass skirt. The Hawaiian hula is the most graceful dance you can imagine. The hands speak volumes as they move in perfect rhythm. The body sways rhythmically, with occasional lapses, of course, into more noticable contortions.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 5, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Acts shall not be invalid because of their anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding thereto another section to be designated as Section 5, which shall read as follows:

"Section 5 (a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars ($100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (75¢) tax. The Legislature shall provide for transfer of title to properties to the district.

"(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars ($100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

"(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7 and the Port Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved at an election by a majority of the resident property taxpaying voters voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage or said School District, nor shall such bonds be issued or such tax be levied until so approved by such voters.

"The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

"If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpaying voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."

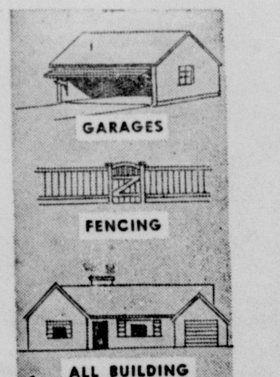

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a county-wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

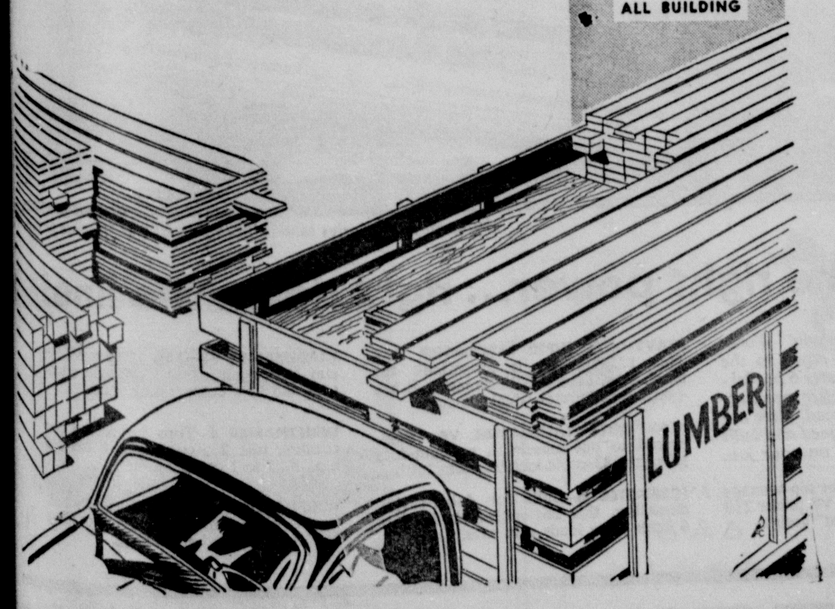

"AGAINST the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a county-wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

This year's abundant supply of peaches has made them the featured food on the USDA's August plentiful foods list, reports the Agricultural Marketing Service. Other plentifuls are fresh and processed lemons, and watermelons, potatoes, tomatoes, sweet corn, green beans, lima beans, lettuce and vegetable fats and oils.

Short Cut Meals For Warm Weather

Now that days are warm and you want more time for fun with family and friends use quick tricks for family meals.

Buy quick-and-easy foods—prepared mixes, meats, fish and chicken that are pan ready, quick-fix fruits and vegetables. Build a quick meal around canned ham, luncheon meats or canned corned beef or fish. Add a crisp salad, a succulant in-season vegetable and your meal is made. For quick desserts, there are fresh fruits, ice creams, puddings and cake made from easy mixes.

Planning ahead pays off. . . . Keep your shelves well-stocked to save trips to the market. Plan simple meals that require a minimum of preparation. Prepare some of the dinner or supper dishes in the cool of the morning.

"Good Meals Everyday" — A colorful bulletin written by extension foods and nutrition specialists gives menu ideas for all seasons—and lots of recipes too. Ask for a copy from your County Home Demonstration Agent.

Group Entertainment

Let's have a Chick-N-Que. With a summer now in full swing and most of the usual recreation becoming a bit routine, a Chick-N-Que is just the thing to renew our enthusiasm for living.

A Chick-N-Que is the way to combine a delicious meal with an evening within the family circle.

This type of outdoor cookery is fine for larger groups such as church gatherings and club socials. The entire operation takes only about two hours, 30 minutes for making the fire ready and hour or hour and a half to cook the chicken.

Chick-N-Ques are fun, delicious, nutritious and inexpensive.

Some of the things you will need are:

Charcoal grill or pit
Fuel
Sauce
Basting brush or a long stick with a rag tied on one end
Tongs or long handler fork
Tables
Other foods (salad, vegetables, etc)
A cool beverage

Serve when chicken is ready

Stain Removal From "Special Finish" Fabrics

Special finishes now being used on many cottons, linens and rayons give wrinkle-resistance, extra sheen and body to these fabrics.

Problem now is, how to remove stains from fabrics that have these special finishes. Chlorine bleaches may be used on some. Other finishes are damaged by such treatment because special resins in the finish absorb and retain chlorine.

Best rule to follow, according to research service, is to look for directions regarding use of bleaches on the garment. If no information is given, avoid use of chlorine bleaches on fabirc with special finishes.

Some stains cannot be removed without bleaching. In such cases use sodium perborate or a powder bleach that contains it. Soak washable colorfast fabrics for several hours, or overnight if needed, in a warm solution containing one or two tablespoons of sodium perborate to a pint of water. Another method is to sprinkle dry bleach on the dampened spot, then dip in a pan of very hot water for a few minutes.

This reminder. Always check garments for stains before laundering, and remove. Otherwise hot water may set stains.

VAN DYKE

by Jesse Tiner

Total amount of rainfall registered at Van Dyke during the month of July was 2.70 inches.

The two local churches report a total Sunday School attendance of 71 for last Sunday, Aug. 3. Gartman View had 37 and Zion Hill had 34.

Miss Judith Fritts was returned to her home here last Saturday after spending several days in a Comanche clinic receiving treatment. Judith is reported to be getting on nicely.

The revival in the local Zion Hill Church is in progress this week. Rev. Tom Sherrell of Statesville, N. C., is a very forceful speaker, and is bringing some very fine messages.

Among the out of county visitors who were in the revival during the week-end were Mr. and Mrs. R. E. Ramsey of McGregor, Miss Mahatlay Mitchell of Waco, Mrs. P. W. Donaldson of Abilene, Miss Lou Ellen Durham of Leasall, Mr. and Mrs. E. V. Welch, Bobbie and Dale and Sue of Waco, and Mr. and Mrs. A. J. Howell of Fort Worth.

Mr. and Mrs. Clyde Fletcher, Jan and Sherry and Nancy of Fort Worth were recent visitors here in the home of Mr. and Mrs. Lee Spruill.

Mr. and Mrs. M. W. Pounds and Mr. and Mrs. M. L. Pounds of Duster were recent visitors in the home of Mr. and Mrs. E. J. Bratton here.

Rev. and Mrs. Windell Lee and Janice of Austin were recent visitors here in the home of Mr. and Mrs. Lloyd Fritts. Rev. Lee is a former pastor of the local Zion Hill Church.

The local Gartman View Church has called Rev. J. A. Brooks of Granbury as pastor. Rev. Brooks is a former pastor of the local church. He is to begin his new work here Sunday, August 10. This church is to begin its summer revival Friday evening, Aug. 15 to continue through Aug. 24. Rev. Arthur Herron of Oklahoma City, also a former pastor of the church, is to be the evangelist.

Mr. and Mrs. Bill McDonald and Ruby of Harmony visited here last Sunday in the home of her parents.

CONSTITUTIONAL AMENDMENT TO BE VOTED AT THE GENERAL ELECTION ON NOVEMBER 4, 1958

HJR #31—Number Four on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 31 proposing an Amendment to the Constitution of Texas to provide that all county officials for whom four-year terms of office were authorized in 1954 must resign such office prior to announcing for a different office when more than one (1) year remains unserved of the term for which they were elected, and providing for the filling of such vacancies in the manner now provided by law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 65 of Article 16 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows:

"**Section 65.** STAGGERING TERMS OF OFFICE.—The following officers elected at the General Election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution:

"(a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts at Law, County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace.

"**Notwithstanding** other provisions of this Constitution, the following officers elected at the General Election in November, 1954, shall serve only for terms of two (2) years: (a) Sheriffs; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. **At subsequent elections,** such officers **shall be elected** for the full terms provided in this Constitution.

"**In any district, county or precinct** where any of the aforementioned offices is of such nature that two (2) or more persons hold such **office,** with the result that candidates file for 'Place No. 1,' 'Place No. 2,' etc., the officers elected at the General Election in November, 1954, shall serve for a term of two (2) years if the designation of their office is an uneven number, for a term of four (4) years if their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution.

"**Provided,** however, if any of the officers named herein shall announce their candidacy, or shall in fact be a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation from the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such offices are filled.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing that any District, County or Precinct official serving a four-year term must resign before announcing for a different office if there remains unserved more than one (1) year of the term for which he was elected.

"AGAINST the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unserved more than one year of the term for which he was elected."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said Amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for, and shall cause this proposed Amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

LUMPS FROM APIS MELLIFERA

Most people avoid bees—for obvious reasons. Rheumatism sufferers of old, however, tried to get stung. They thought bee stings were an effective treatment for rheumatism. Now most of us prefer the more reliable—and painless—remedies of today. Thanks to medical science we have many safe, fast-acting pain relievers. Other powerful drugs, too. When you're ill, take advantage of these newer medications—but only upon the advice of your physician. Then let us render complete prescription service.

Mrs. Ollie Trippe, One of Our Most Distinguished Women, Dies

Funeral services for Mrs. Ollie Trippe were held at 2 p.m. Saturday, August 9, in the Comanche Funeral Home Chapel, with Rev. Plez Todd, pastor of the local First Methodist Church, officiating.

Burial was in Oakwood Cemetery with the Comanche Funeral Home in charge of arrangements.

Bobby Arthur rendered solos in the service. Mrs. Alvin Hafford was organist.

Pallbearers were Sutton Dudley, George Reeves, Harris Long, Paul Jeanes, Troy Marshall and Pat Howard.

Those attending the last rites from out-of-town included Mrs. Ruth L. Ellis, Warren, Arizona; Mrs. Rayford Reid, Oklahoma City Oklahoma; Mr. and Mrs. E. H. Bobo, Ranger; and Kenneth Brock of Alpine.

Ollie Ellis Trippe was born in Cave Spring, Georgia, August 26, 1870, to Thomas Jefferson and Susan M. Ellis. She was reared and educated in Georgia. Was a graduate of LaGrange Female College, LaGrange, Ga. She was married to Walter Trippe of Cave Spring and lived some ten years of married life in Arizona and Old Mexico.

Following her widowhood about the turn of the century, Mrs. Trippe returned, as was the custom for young widows of that time, to her parental home then established in Comanche. She was warmly received in her new surroundings for, "in her tongue was the law of kindness".1 She entered into community life and gave much time to work in the Methodist Church of which she was always a faithful member.

Within a few years she went to Austin to assist with the office work of a time-honored friend of the family, the late Sidney J. Thomas, superintendent of the Texas School for the Deaf. She immediately took training necessary to becoming a teacher in the school, and taught continuously for twenty-five years in the Texas School for the Deaf.

As an able teacher she left an impress upon the lives and thoughts of many hundreds of handicapped boys and girls. She loved children and they loved her. She never craved for power as most individuals want. Her's was an inconspicuous, quiet service. It would not be possible to overestimate the influence of such a servant. It has persisted and for good long after her teaching career ended.

While teaching in Austin, Mrs. Trippe maintained summer residence in Comanche. Upon retirement, 1935, she returned to Comanche and shared since a home with her sister Mrs. Jennie Garrett. She influence of the hospitable home is widespread. Ever present therein were her humor and wit, her devotion to family, friends, and church.

She is survived by a sister, Mrs. Jennie Garrett, and a nephew, T. J. Ellis, both of Comanche.

"She had a daily beauty in her life."2 "She had a speech finely framed that delighted the ear."3 "Her ways were ways of pleasantness, and all her paths were peace."4 Truly with Jesus it may be said, "She has done a beautiful thing. She has done what she could. This shall be spoken of as a memorial to her."5.

It is well to note that Solid Geometry, Trigonometry, and physics have been added to the school curriculum. Except for additional sections in some courses, the high school curriculum will be the same beside the above additions.

Plans call for faculty meetings and enrollment of grades 6 — 12 prior to the first day of school, September 2nd. Definite enrollment plans will be listed in next weeks paper.

Average daily attendance of the Comanche School for 1957-58 was 860. Since the ADA had to be 875 to maintain the number of teachers for the previous year—one teacher was lost. One teacher was hired out of local funds last year and the school board plans to hire one out of local funds again this year. However, this still leaves the school such that there is one less overall teacher than last year. This adjustment will come by the assignment of high school teachers to aid in study halls in the junior high buildings.

Junior High School, grades 6, 7, and 8, will be taught in four major fields—arithmetic, social studies, Language Arts and Health-Science. Social studies will include geography and civics. Languages Arts will include spelling, writing, grammar, reading, and literature. Band will be available as a beginner and junior band student with 8th graders being eligible for senior high band. Choral Music, Physical Education or athletics will fill out the program in junior high.

Parents are reminded that good attendance is a "must" for the child to do good work. It is also detrimental to the school in that all teachers are earned by average daily attendance. You are urged to make the child realize this from the first day on.

TV Cable Work Due Here Soon

Poles and materials for the cable are due to arrive here Thursday for the construction of the new Television Cable Service in Comanche—and other materials for the tower and electronic equipment are due in at any time now, Charles F. Tabor, Hillsboro, promoter of this new service, announces.

Tabor, who has been spending much of his time here the last few weeks in connection with the establishment of this new TV Cable Service, says actual construction will get underway on or about September 1.

"'We'll need about 30 days to complete our operation," Tabor said, "but we are shooting for a good, clear picture available in all sections of Comanche by World Series time — the first week in October.

Five eighty-foot towers are to be erected with special antennas installed to eliminate co-channel interferences, explains Tabor. He continued "We believe that this new type antenna does a better job than the normal engineering and planning by first of the community television tower operations.

Tabor said Uvalde, which has recently completed one of these Messenger Stand type antenna setups, is the only television service in Texas using this new method—and viewers, he said, are reporting "perfect pictures."

"We are going to start stringing the cable down the streets within a few days after the tow- "and some television viewers in er is started," Tabor explained, parts of town will be seeing the work of the cable service within a few days after the first work is started."

Tabor explains that cost of connecting to the cable is $30—with monthly rates being $6. No outside antenna or cable is needed; installation will be directly to the sets. Four channels are to be received under the new set-up here, Channels 4, 5, 8, and 11.
